

**APPLICATION
FOR
Vector Control District Board of Trustees**

The Orange County Vector Control District is an independent special district that has been serving the residents of Orange County since 1947. The District is dedicated to controlling rats, mosquitoes, fire ants, and flies. Other activities include surveillance of vectors and vector-borne diseases, public education services and identification of public health pests submitted by county residents.

The Board of Trustees is the policy-making body of the District. Typical duties include attending monthly meetings, attending occasional committee meetings, and educational conferences. The regular monthly meetings are held at 3:00 p.m. on the third Thursday of each month at the District Office located in Garden Grove.

Trustees are provided \$100 per month in-lieu of travel expenses, if they attend the monthly meeting. In addition to attending the regular monthly District meetings, Trustees are expected to periodically attend regular City Council meetings and provide updates on the activities of the Trustees.
